

# PEL Topics Index

Last updated on: 2025-05-01		Note: with PEL, type <a href="#">&lt;f11&gt;</a> <a href="#">&lt;f1&gt;</a> to open this PDF index.																																																																																																					
<div>Emacs Reference Cards</div> <div>🖱️ With PEL, access these cards from Emacs with the <a href="#">&lt;f11&gt;</a> <a href="#">?</a> <a href="#">e</a> <a href="#">r</a> key sequence. See <a href="#">📖 Help/Info</a> for more info.</div>		These are links to the PDF version of official English version of the quick reference cards for <a href="#">GNU Emacs</a> and popular external packages. PEL documents Emacs key bindings as well, these cards provide useful complement to what PEL provides.
